## The Wars of the Roses Parts 1 and 2

An epic event staging the three parts of *Henry VI* across two performances

The glorious Henry V is dead.

The new King is weak, manipulated by those on his own side and threatened with civil war by those in opposition. As the factions fight for power, England descends from decency into barbarism and all around the crown seek to seize it for their personal gain.

**Director** Owen Horsley

with Gregory Doran

**Set Designer** Stephen Brimson Lewis

**Costume Designer** Hannah Clark

**Music** Paul Englishby

## The Magician's Elephant

A new musical by Nancy Harris and Marc Teitler

Baltese is a town recovering from war where nothing extraordinary ever happens.

Then one day, a magician conjures an elephant from the sky, setting off a chain of events so remarkable, so impossible, that it changes Baltese forever.

Peter is catapulted into the quest of his life and discovers that happiness can come from the most unexpected places.

**Director** Sarah Tipple

**Designer** Colin Richmond

**Lighting** Oliver Fenwick
