

Appendix G: Text Scraps

|                |               |
|----------------|---------------|
| Thick-lips     | My lord       |
| Moor           | My husband    |
| Lascivious     | Kind lord     |
| Valiant        | Brave         |
| Rude in speech | Slave         |
| Noble          | Black Othello |

|               |            |
|---------------|------------|
| Be a man      | Sufficient |
| Old black ram | Moorship   |
| Barbary horse | Warlike    |
| Stubbornness  | Dear       |
| Tranquil mind | Free       |

Unkindness

Lusty

Open nature

Foul thief

Little blessed with the soft phrase of  
peace

Far more fair than black

Feared to look on

Vice of my blood
